I think we should then send out a letter notifying the tribes of our decision with all the links to the documents. We could do that shortly after January 30th. Thanks.

Christine:

We already sent out the tribal consultation letters at the same time we proposed our disapproval. We received no responses.

Jayne and Allison, we need to make sure that we notify the tribes in Oregon of our upcoming decision. It's a bit late to offer consultation, but, at minimum, we need to inform them of the decision and maybe offer a telephone conference to go over the basis for our decision.
